ACKNOWLEDGMENT

This 15th Annual Reports of Arunachal Pradesh Information Commission 2020-21 has been prepared in one volume. The data for preparation of this report are collected from the state Government Departments. According to Information provided by the departments, the total number of Public Authorities in the State is 78 and the number of Public Information Officers is more than 310.

The Right to Information Act, 2005 is a landmark legislation that has transformed the relationship between the citizen and the State. This legislation has been created for every citizen to hold the instrumentalities of Governance accountable on a day-to-day basis. The legislation perceives the common man as an active participant in the process of nation building by conferring on him a right to participate in the process through the implementation of the Right to Information Act.

It has been 15 years since the RTI Act has been in operation in the State. The State Public Information Officers and Appellate Authorities are quasi-judicial functionaries under the RTI Act with distinctive powers and duties and they constitute the cutting edge of this “Practical regime of information”, as envisaged in the preamble of the Right to Information Act. Together, they create an effective, mechanism for disposal of increasing numbers of requests for information being received from the citizen of India.

The Arunachal Pradesh Information Commission has prepared the Annual Report for the year 2020-21 and while preparing the same, many government functionaries have extended help in many ways for bringing out this Annual Report.

We also acknowledge the contribution of the Chief Secretary, Government of Arunachal Pradesh, and Development Commissioner Finance and the Staff for their assistance in preparing the report.

Our thanks to the Director, Department of Printing, Government of Arunachal Pradesh, and his Staff for their role in bringing out this report in the most presentable form.

The Commission wishes to express special thanks to the Secretary cum Registrar, Deputy Registrar, Other Officers and Staff of the Commission, who have contributed in preparing this report.

ANNUAL REPORT, 2020-21
THE ARUNACHAL PRADESH INFORMATION COMMISSION

CHAPTER-I

INTRODUCTION

Freedom of information is a fundamental human right and this was recognized by the United Nations at its very inception in 1946 when the General Assembly resolved: “*Freedom of Information is a fundamental human right and the touchstone for all freedoms to which the United Nations is consecrated*” Enshrined in the Universal Declaration of Human Rights, the right’s status as a legally binding treaty organization was affirmed in Article-19 of the International Covenant on Civil and Political Rights which states – “*Everyone has the right to freedom of opinion and expression: this right includes freedom to hold opinions without interference and to seek, receive and impart information and ideas through any media and regardless of frontiers*”. This has placed the right to access information firmly within the body of universal human rights law.

This right to information was explicitly held to be our fundamental right under Article-19(1)(a) of the Constitution of India for the first time by Justice K.K Mathew in the *State of U.P –Vs- Raj Narain*. This view was followed by the Supreme Court of India on numbers of decisions and, after public demand; the Right to Information Act, 2005 was enacted and brought into force.

The RTI Act is not new for India. Many of its States have already enacted similar Acts in the past. The RTI Laws were first successfully enacted by some State Governments of our Country, like – Tamil Nadu and Goa in 1997, Rajasthan and Karnataka in 2000, Delhi in 2001, Maharashtra and Assam in 2002, Madhya Pradesh in 2003 and Jammu & Kashmir in 2004. And there had already been a Law enacted called as ‘**the Freedom of Information Act, 2002**’. In order to ensure greater and more effective access to information the Government of India decided to repeal the Freedom of Information Act, 2002 and to enact another law for providing an effective framework for effectuating the right of information recognized under Article-19 of the Constitution of India. To achieve this object, the Right to Information Bill was introduced in the Parliament. The Right to Information Bill, having been passed by both the Houses of Parliament, received the assent of the President on 15th of June, 2005 and finally the same came into being as ‘**the Right to Information Act, 2005 (Act 22 of 2005)**’. Some provisions of the Act came into force with immediate effect from 15th June, 2005 when the President gave his assent so that the public authorities could make preliminary arrangements for implementation of the Act in the field of: designation of Central/State Public Information Officers; designation of Central/State Assistant Public Information Officers; designation of First Appellate Authorities senior to Public Information Officers; framing of rules for smooth implementation of the Act; setting up of Central/State Information Commission(s); preparation of 17 manuals for dissemination of pro-active

information, etc. And the Act later fully came into force in our Country, including in the State of Arunachal Pradesh, on 12th of October, 2005 after 120 days of enactment of the Act.

The Right to Information Act, 2005, is the first ever 'sunshine law' enacted by the Parliament which extends to the whole of India, in as much as, like most 'sunshine laws' it provides a right to all citizens to demand information from any public authority in India while also creating a positive obligation upon these authorities to pro-actively publish information about their functioning. It has been made applicable to all public authorities, viz, all Central and State Government Ministries; Departments; Organizations; Undertakings, Autonomous Bodies, Municipalities, Panchayat, etc, enacted by law and also covers the Union Territories. The Judiciary and the Legislature including Parliament and State Legislature are also covered under its purview.

The Right to Information Act, 2005, has been enacted to provide for setting out the practical regime of right to information for citizens. The basic objectives of this Act are to: empower the citizen to get information from any public authority; to promote transparency and accountability in the workings of the Government and its instrumentalities; to contain corruption and; to make our democracy work for the people in real sense.

The Right to Information Act, 2005, is divided into six chapters and contains thirty-one sections in the whole. All these sections of the Act had remained intact for a period of more than 15(fifteen) years from the date of its enactment on 15th of June, 2005. After such a long period of more than 15 (fifteen) years as aforesaid an amendment bill called as '**the Right to Information (Amendment) Bill, 2019**' was introduced in the Lok Sabha by Minister of State for Personal, Public Grievances and Pension, Mr. Jitendra Singh on 19th of July, 2019 and the same which was passed by the both Houses of the Parliament was given assent to by the President of India on the 1st day of August, 2019 called as '**the Right to Information (Amendment) Act, 2019 (24th Act of 2019)**' and by which provisions of Section(s)-13, 16 and 27 of the Principle/Original Act of 2005 have now been amended. And accordingly, the Ministry of Personnel , Public Grievances and Pensions(Department of Personnel and Training) Govt. of India (Central Govt.) while in the exercise of Power conferred by clauses (ca) and (cb) of sub-section (2) of Section-27 of Right to Information Act,2005 (22 of 2005) framed the Rules, Vide Notification, New Delhi, the 24th October ,2019 called as the Right to Information (Terms of Office, Salaries,Allowances and Other Terms and Condition of Services of Chief Information Commissioner, Information Commissioners in the Central Information Commission, State Chief Information Commissioners and State Information Commissioners in the State Information Commission.) Rule, 2019 which came into force with immediate effect on the date of the Notification.

CHAPTER- 2

A BRIEF ABOUT ARUNACHAL PRADESH INFORMATION COMMISSION

The Right to Information Act, 2005 is a landmark legislation that has transformed the relationship between the citizen and the state. This legislation has created for every citizen to hold the instrumentalities of Governance accountable on day to day basis. The legislation perceives the common man as an active participant in process of nation building by conferring on him the right to participate in the process through the implementation of Right to Information Act.

It has been more than 15 years since the RTI Act has been in operation in the state of Arunachal Pradesh. A key strength of the Act pertains to administrative and adjudicative autonomy of Information Commission.

The Right to Information Act 2005 came into force in Arunachal Pradesh along with the rest of the country on 12th October 2005 after 120 days of its enactment. As per the provisions of this Act, State Public Information Officers (SPIO) and Assistant Public Information Officers (APIO) were appointed by the Government of Arunachal Pradesh under separate notifications. In pursuance to the provisions of Clause 3 of Section 15 of the Right to Information Act, a selection committee was constituted for the appointment of State Chief Information Commissioner and State Information Commissioners. On 13th October 2006, Arunachal Pradesh Information Commission (APIC) was constituted and the State Chief Information Commissioner Shri Nyodak Yanggam and State Information Commissioners Shri Bani Danggen, Shri Habung Payeng and Shri Nipo Nabam were administered the oath of office by His Excellency Governor of Arunachal Pradesh, on 19th October 2006. As per Notification No. OM/51/2005/390 dated 14.11.2007 Shri Toko Anil was appointed as 4th SIC and was sworn in on 3rd December, 2007.

As provided under section 15 (1) of The Right to Information Act, 2005, the Governor of Arunachal Pradesh constituted the Arunachal Pradesh Information Commission vide Notification No. OM-51/2005 dated 13.10.2006 with 1 (one) Chief Information Commissioner and 3 (three) Information Commissioners with immediate effect. In exercise of the powers conferred by the Section 15 of the Right to Information Act 2005 (No.22 of 2005) and in partial modification of the Notification No. OM-51/2005 dated 13.10.2006, the Governor of Arunachal Pradesh constituted the Arunachal Pradesh Information Commission with a Chief Information Commissioner and 4 (four) Information Commissioners with immediate effect vide Notification No. OM-51/2005/396 dated 14.11.2007.

The Commission started functioning after getting office accommodation at Secretariat Annexed building in the first week of December 2006 with office functionaries provided by the State Government. The Commission thereafter, entertained complaints, appeals and initiated proceedings to dispose of all the cases in accordance with the provisions

of the RTI Act. It also started monitoring the implementation of RTI Act and issued necessary instructions to various departments to comply with the provisions of RTI Act. The Commission has strived to educate the public and officials for proper implementation of RTI Act with the help of the State Government. Due to dismantling of the State Civil Secretariat for construction of new buildings, the Arunachal Pradesh Information Commission was shifted to Hotel Bomdila on 5th November 2008. The Commission continued functioning from the same place without proper facilities like court room, office chamber, furniture, library facility, housing accommodation and supporting staffs and was delivering its duties under pathetic conditions.

However, the Commission has been shifted to the present location – earlier Planning Department premises, opposite to the Legislative Assembly, Arunachal Pradesh, since 28th February 2017.

The Arunachal Pradesh Information Commission (APIC) has been rendering wonderful services for transparent and good governance since its inception in the state of Arunachal Pradesh since 2006. It is worth mentioning here that in the year 2009, the Arunachal Pradesh Information Commission was awarded the best Information Commission of India for its effective implementation of Right to Information Act, 2005 in the state. Thongchi on his attaining the age of 65 as per section 16 (1) of the Right to Information Act, 2005.

CHAPTER-9

RECOMMENDATION OF THE COMMISSION TO THE STATE GOVERNMENT

As per Section 25 (3)(g) the Commission would like to reiterate the following recommendation to the Government of the Arunachal Pradesh for effective implementation of the RTI Act in the state.

REGULAR REPORT RETURN FROM PUBLIC AUTHORITIES

Although Sub Sections (2) and (3) of Section 25 of the RTI Act mandate that each Ministry and Department in relation to the Public Authorities within their jurisdiction, shall collect and provide such information to the State Information Commission, as is required to prepare the Annual Report. It has been found that only 78 State Public Information Officers (PIOs)/APIOs out of 310, have submitted the report return for the purpose. The State government, through the nodal department should direct all the PIOs to submit the quarterly report of the Public Authority as specified under the provisions of section to the State Information Commission regularly.

INADEQUATE PERFORMANCE OF THE FIRST APPELLATE AUTHORITY

As per Section 19(1) Any person who does not receive decision within the time specified or aggrieved by the decision of the State Public Information Officer (SPIO), may within 30 days from the expiry of such period or from the receipt of such a decision, prefer an appeal to such officer who is senior in rank to the State Information officer in each public authority.

It has been observed that this provision of First Appellate Authority is being done by a very few public authorities and most of the First Appellate Authorities do not function in the state so much so that, the department of Administrative Reform (AR) the nodal department, has not yet brought out the Rules on the First Appellate Authority.

For effective implementation of the Act, the provision of the First Appellate Authority (FAA) is to be complied with strictly. For this, the appropriate initiative is required from the nodal department of the government.

PROACTIVE DISCLOSURE

As per Section 4 of the RTI Act, it is the obligation of every Public Authority to disclose certain information onSuo Motu basis as laid down under sub-section (1) of the Section.

As per Sub Section (2) of the Section, it shall be a constant endeavor of every Public Authority to take steps in accordance with the requirments of the clause (b) of the Section 1 to provide as much information Suo-Motu to the public at regular intervals through various means of communication including internet, so that public have minimum resourt to the use of the Act to obtain information.

It has been observed that most of the Public Authorities are not strictly complying with the provisions of the Section by proactive disclosure of the activities undertaken by the Public Authority. It is also, abserved that many of the Public Authortiyare not even having website containing upto date information. If more and more Suo-Motu disclosure is made by the Public Authorities, undoubtedly there would be less and less people to resort to this Act for seeking information. Therefore, the Commission recommends that the Chief Secretary of the State should direct all the Public Authorities of the state to comply with the provisions of the Act strictly.

**BEFORE THE DOUBLE BENCH COURT OF DR. JORAM BEGI, STATE CHIEF
INFORMATION COMMISSIONER & SHRI LEKI PHUNTSO, STATE
INFORMATION COMMISSIONER.**

No.APIC-08/2020

Dated,Itanagar the 23rd January, 2020

ORDER

Shri NimaTondrang, Secretary i/c of Arunachal Pradesh Public Service Commission, Itanagar had made an appeal vide his letter No. PSC/RTI/177/2019 dated 3rd December'2019 for review of Order and judgment on case No. APIC-155/2019/254 dated 17.12.2019 passed by Shri GotoEte, State Information Commissioner on the case of Shri Bengia Jayanta –vs- Shri Bate Koyu, PIO-cum-Deputy Secretary, Arunachal Pradesh Public Service Commission, Itanagar to the State Chief Information Commissioner, stated to be under provision of Sub Section (2) and (3) of Section (23) of the RTI Act 2005.

The appeal was examined by the Commission, and the Commission found no provision under the Act to re-hear the parties and set aside and quashed the oder No. APIC-155/2019/254 dated 17.12.2019 passed by Shri Goto Ete, State Information Commissioner.

Howeverr, keeping the natural justice in view the Commission has decided to give a hearing to the parties by a double bench consisting of Dr. Joram Begi, State Chief Information Commissioner and Shri Leki Phuntso , State Information Commissioner and summoned order was issued to both the parties for hearing on 23rd January 2020 at 1030 hrs.

The hearing was held on 23rd January'2020 at 1100 hrs, Shri Bate Koyu, PIO-cum-Deputy Secretary, APPSC, Itanagar, Shri Tumi Gangak, APIO-cum-Under Secretary, APPSC, Itanagar, Adv. Nani Anju ,the legal counselor of APPSC, Itanagar and the Appellant of the Case APIC-155/2019 (Appeal) Shri Bengia Jayanta were present during the hearing. The hearing took place at 1100 hrs due to the Appellant Shri Bengia Jayanta reached the Court late due to heavy traffic.

The State Chief Information Commissioner at the very outset made it clear that **there is no provision of re-hearing** the parties and set aside and quashed the order issued by another Information Commissioner **under the RTI Act-2005**. However, for the sake of natural justice this hearing is being done. He has also stipulated out that the hearing would be done in 2(two) parts, first the procedural aspects and the second on the subject matter. In the procedural part, the Chief Information Commissioner asked the PIO that under what provision/ section of the RTI Act 2005 the present appeal is being made to the State Chief Information Commissioner by the PIO/ the public authority. The PIO, requested the Commission to allow Legal Counselor of the APPSC to represent him. The Legal Counselor said that the APPSC had made this appeal for re-hearing of the case No. APIC-155/2019/254 dated 17.12.2019 passed by Shri GotoEte, State Information Commissioner under Sub Section (2) and (3) of Section (23) of the RTI Act 2005. The Chief Information Commissioner said that the matter has no Sub Sections nor the said content exist under Section (23) of the RTI Act 2005 and he read out the actual content of the relevant section. It was found that the legal counselor was pleading on the basis of Sub Section (2) and (3) of Section(23) of **the Central Information Commission (Management) Regulation 2007**. The Chief Information Commission has told her that the said Sub Sections (2) and (3) of Section (23) have **already been amended and deleted by the Central information Commission on 28th October'2008** and accordingly the Arunachal Pradesh Information Commission has also amended and deleted the Sub Sections vide U.O. No. SCIC/02/2008 dated 28th December'2008. Therefore, the **appeal has no locus standi**. The legal counselor also accepted the fact.

In the second part, first asked the appellant Shri Bengia Jayanta 2(two) questions. -(1) Whether, he was a candidate of the Assistant Engineer Selection Examination (2012-13) conducted by APPSC or not and if so whether, he was candidate of Assistant Engineer (Mechanical) or Assistant Engineer (Civil) ? (2) Why he is seeking information after the lapse of 7(seven) years and why not immediately after the declaration of the result? Shri Bengia Jayanta the appellant of the case no. APIC-155/209 (Appeal) said that he was the candidate of the Assistant Engineer Examination (2012-13) for the post of Assistant Engineer (Mechanical) not of the Civil Engineering. His answer to the second question was that he is working as Junior Engineer and posted in interior place and so could not find time earlier to seek the information. The Commission said that since he was not a candidate of Assistant Engineer (Civil) he cannot insist information of Sl.no. 3 i.e. the Detail Mark list of top 50(fifty) Civil Engineering Candidates along with Details of Marks scored in each papers during 2012 Assistant Engineer (Civil) recruitment, as sought in his Form-A.

Then the Commission asked the PIO why the information sought under S.L. No. 1, 2, and 4 were not provided to the information seeker as directed by the earlier order of the Commission. The PIO replied that they have a rule which restricts providing of such information beyond 180 days i.e. 6(six) months. The Commission asked the PIO under what section of the RTI Act 2005 the rules have been framed. The PIO has admitted that these rules have not been framed under any section of the RTI Act.

The Commission also said that the rules can be framed either under section 27 of the RTI Act by the appropriate government or under section 28 by the competent authority. The PIO of the Arunachal Pradesh Public Service Commission admitted that said rules have not been framed under any section of the RTI Act. **The Commission referred to Section (22) of the RTI Act that any other act or rules framed is being superseded by the section of the Act in regards to disclosure of information.** The Commission further said that the working rules, manuals, guidelines can be framed but within the framework of the Act and Suo Motu disclosure should be done as per Sub clause (v) of clause (b) of Sub Section (I) of Section (4) of the RTI Act 2005 and hence information sought under Sl.no.5 of Form-A by the information seeker should be provided even after lapse of 7(seven) year as per Sub-Section (3) of the Section (8) of the Act .

The Legal counselor of the Arunachal Pradesh Public Service Commission was trying to convince the State Information Commission to reconsider the case on the basis of Supreme Court judgment, Union Public Service Commission and other –vs- Angesh Kumar and other that the for the greater public interest their plea should be accepted. The Commission said that the case referred is of exemption under Section (8) and (9) of the RTI Act 2005 and the present case does not attract any of these two section of the Act and hence it does not apply.

In view of the above hearing the Commission came to the conclusion that **there is no reason** as to why the case No. APIC-155/2019/254 dated 17.12.2019 passed by Shri GotoEte, State Information Commissioner be **set aside and quashed.**

Therefore, the case is hereby disposed of.

JUDGMENT/ORDER

Brief fact of the case is that that the above named appellant filed an RTI application under Form-A on 07.03.2020 before the PIO of the Office of the Deputy Commissioner, Papumpare District, Yupia, whereby, seeking various information regarding Pare & Ranga NadiHydrpoElectric Project, NEFCO Ltd Doimukh, Arunachal Pradesh. And the same, received in the Office of the PIO-cum-CO of the Office of the Deputy Commissioner, Yupia, was transferred to the District Land Revenue & Settlement Officer (DLRSO), Papumpare District, Yupia, vide letter No.PP/RTI/YPA-480 Dated- 16th of March'2020. The applicant, having not received any response from the PIO, filed a First Appeal before the Chief Secretary Govt. of Arunachal Pradesh, Itanagar, on 08.05.2020. The Chief Secretary on receipt of the First Appeal from the appellant as aforesaid issued an order for directing the PIO to prove the required information to the applicant. After such issue of the order by the State Chief Secretary PIO-cum-DLRSO of Papumpare, Yupia, vide his letter No.LR-LM/RTI -07/001(Pt-II) Dated- 26th May'2020 furnished the information sought to the applicant. The applicant, being not satisfied with the information received as incomplete, filed a Second Appeal before the Arunachal Pradesh Information Commission on 13.06.20 and Registry of the Commission, on receipt of the same registered the appeal as APIC-98/2020 and processed it to the Commission for hearing and disposal.

Accordingly, this appeal has come up for the first time today for hearing. Appellant Shri BengiaSagung is, though not present, represented by his learned counsel Mr. Tai Shiva (Advocate) before the Commission in person. Mr. NakapHina Nabam, PIO-cum-DLRSO of the DC's Office, Yupia, is present through video conferencing. Both parties being heard. The PIO submitted that the all information sought have already been furnished to the appellant vide his letter dated-26.05.2020. The learned counsel for the appellant admitted to have received the information but the information furnished against Sl.No.(f) of the Form-A application is incomplete as the names of the affected persons receiving the compensations have not been disclosed. It has been revealed during the hearing that the Deputy Commissioner happened to be the First Appellate Authority of PIO-cum-DLRSO, Yupia, but the appellant, instead of filing his First Appeal before the Deputy Commissioner, Yupia, directly filed his First Appeal before the Chief Secretary of the State of Arunachal Pradesh. After hearing the parties I have also carefully read all available materials on record.

Having considered the respective submissions of the either party it appears to me that the PIO-cum-DLRSO, Yupia, is the PIO of the Land Record Department of the DC's Office, Yupia. The appellant, who had not been responded by the PIO had a right of First Appeal for a period of 30 days from the first day of expiry of 30 days of his filing the application under Form-A before the PIO. That is to say, he had a right of First Appeal before the First Appellate Authority within a period of 30 from 08.03.2020 to 07.04.2020. And in the present case the PIO-cum-DLRSO, having been working under the administrative unit of the District Administration of Papumpare District, cannot reasonably be disbelieved to have been headed by the Deputy Commissioner, Papumpare District, Yupia, as the First Appellate Authority of the PIO. But the learned counsel of the appellant has no denial of the fact that the appellant had mistakenly filed his First Appeal before the Chief Secretary instead of filing the same before the Deputy Commissioner, Papumpare District, Yupia. Apart from filing the First Appeal before the wrong forum the appellant is found to have filed the First Appeal on 08.05.2020 after a lapse of a month of the expiry of the appeal period for filing of the First Appeal under the RTI Act. Now the fact remains that no First Appeal under sub-section (1) of Section-19 of the RTI Act has yet been filed by the appellant and without which the appellant has no legality to file this Second Appeal under sub-section (3) of Section-19 of the Act.

In view of facts and circumstances aforesaid I find this appeal fit to be dismissed. And, accordingly, this appeal is dismissed and stands disposed for once for all. Judgment/order pronounced in the presence and hearing of the either parties on this 20th day of August'2020. Each copy of this judgment/order be furnished to the parties.

Given under my hand and seal of this Court/ Commission on this 20th day of August'2020.

ORDER

This appeal vide No.APIC-81/2020 is a second appeal lying pending disposal before the Commission (APIC). Brief fact of the case is that the appellant filed an RTI application under Form-A before the PIO-cum-DySP, PHQ Itanagar, on 28.01.2020, whereby, seeking informations' as under:

- (1) Certified true copy of forwarding letter for forensic report of CCTV Footage in connection with WPS Case No.80/17 U/S 354/353/34 IPC R/W Sec-3 of PDPP Act.
- (2) Certified true copy of detail report of CCTV Footage, sent for forensic test/confirmation in connection with above mentioned case.

PIO-cum-DySP, PHQ Itanagar, whereupon, vide her letter vide No.SPC/ITA/CR-97/20 dated-29th January, 2020 transferred the appellant's application to the PIO-cum-Officer-In-charge of the Itanagar Women Police Station on the very next day in terms of Section-6(3) of RTI Act, 2005. The appellant, having not received the informations' so sought from the both PIO's, filed the First Appeal on 27.02.2020 before the First Appellate Authority-cum-Superintendent of Police, Capital Complex, Itanagar. Appellant, again having not received any response from the FAA, filed the Second Appeal before the Arunachal

Pradesh Information Commission on 26.05.2020. And the Commission (APIC) on receipt of this Second Appeal registered the same, being Appeal No APIC-81/2020, and issued processes for its hearing and disposal. And, hence, the case.

Appeal came up for hearing before the Commission on 6(six) consecutive dates, i.e, on 03.09.2020, 01.10.2020, 15.10.2020, 05.11.2020, 10.12.2020 and 04.02.2021. During the first hearing on 03.09.2020 the PIO-cum-DySP, PHQ Itanagar, Smty Gari Tai submitted a written as well as a verbal submission before the Commission that since the information(s) sought were concerned with the Itanagar Women Police Station the application of the appellant seeking the said information was immediately transferred U/S 6(3) of the RTI Act, 2005 on the very next day of the receipt whereof to the PIO-cum-Officer In-Charge of the Itanagar Women Police Station with a request to her (PIO of Women PS) to directly furnish the informations' so sought to the appellant from her end. PIO-cum-DySP, PHQItanagar, further submitted that a copy of the said letter transferring the application vide letter No.SPC/ITA/CR-97/20 dated- 29.01.2020 was also duly served to the appellant in terms of the said provisions of the RTI Act but she does not have any idea about howcome the transferee officer had not acted upon the transferred application. The Commission, after such hearing of the appellant and PIO-cum-DySP PHQ, Itanagar, including – after having careful considerations of the available materials on record, found the PIO-cum-OC WPS, Itanagar, required to be impleaded as a necessary party and, accordingly, directed for issue of a notice for her appearance in person on the next date fixed on 01.10.2020. Accordingly, on the next date fixed on 01.10.2020 the appellant and PIO-cum-DySP PHQ, Itanagar, were both present but Smty P. Taku PIO-cum OC WPS, Itanagar, was not present. However, one Smty N. Rupa the then I/C OC WPS, Itanagar, sent a letter informing the Commission that the Smty P. Taku, who had been detected positive of Covid-19, was under home quarantine. During the third hearing fixed on 15.10.2020 appellant was represented by her husband Shri Kamta Tawe and both PIOs Smty Gari Tai (DSP) and Smty P. Taku (Inspector) were present during which the representative of the appellant disclosed the fact that the PIO-cum-OC of the WPS, Itanagar, who had received his transferred application under Form-A, in lieu of furnishing the information directly to him from her end, had admittedly furnished only the information sought against item no.1 of his application through the PIO-cum-DySP PHQ, Itanagar, at belated stage sometime in the first Week of September, 2020. After hearing the parties and also after having careful considerations of the available materials on record the Commission found the PIO-cum-DySP PHQ, Itanagar, Smty Gari Tai as no more required in the proceeding and, as such, discharged from the case. However, the Commission found a prima-facie case well established against Smty/ Inspector P. Taku, PIO-cum-OC WPS, Itanagar, liable for imposing reasonable penalty under sub-section (1) of Section-20 of the RTI Act, 2005 and, accordingly, ordered for issue of a show cause notice against her for giving her an opportunity of being heard as provided in the proviso to sub-section (1) of Section-20 of the Act as to why she should not be imposed a reasonable penalty for her refusal or neglect in furnishing the information sought under RTI Act within prescribed period of time. And, accordingly, a show cause notice dated-16.10.2020 was issued against the said Smty P. Taku with a direction to her to appear in person before the Commission on 5th of November' 2020 for furnishing replies to the show cause notice in question.

The OC WPS, Itanagar, Inspector P. Taku vide letter dated 04.11.2020 furnished her written replies to the show cause notice in question and the same was placed before the Commission (APIC) for consideration during the hearing fixed on 05.11.2020. Relevant contents of the written replies to show cause notice of Inspector P. Taku reads as quoted –

“ that sir, RTI application dated 29/01/2020 filed by Smty Rani Jamoh Tawe W/O Shri Kamta Tawe was forwarded from, PIO Smty Tai Gari, DySP (HQ) and the same was received on 31.01.2020 at Women Police Station, Itanagar which was endorsed. Due to personal reasons, I availed leave from 25 February 2020 and joined back on 4 June 2020.”

During hearing of the show cause Inspector P. Taku took the same plea in her verbal submissions as made in her written submission as aforesaid. Apart from the facts as disclosed aforesaid the said OC WPS, Itanagar, further submitted, among others, that during her leave period she endorsed this RTI matter to those officer(s) taking charges of the OC WPS, Itanagar, namely, Inspector N. Rupa and Inspector M. Mibang, who could have also furnished the information sought within the stipulated period of 30 days. On such plea being raised by her (Inspector Taku) notices were issued against 2(two) other officers and were being heard on 10.12.2020. During the hearing both Officers Inspector N. Rupa and Inspector M. Mibang stated before the Commission in the presence and hearing of Inspector P. Taku that the PIO-cum-OC WPS, Itanagar, Smty P. Taku had not ever intimated or informed them anything about the RTI application of the appellant during their respective tenure as Incharge of the OC WPS, Itanagar. After hearing the said two other officers of the WPS, Itanagar, the Commission had a reason for believing of the fact that the said Inspector P. Taku had been negligent in dealing with the RTI application of the appellant and was accordingly about to pass an appropriate order against her. In the meantime, Inspector P. Taku, who was also then participating the hearing through audio video conferencing, requested the Commission for giving her one more chance of hearing in respect of the show cause notice issued against her and, accordingly, she was given a last chance of hearing in respect of the show cause aforesaid on the next date fixed on 04.02.2021.

Today is the date given as a last chance to Inspector P. Taku on her own request for a further hearing, if any, in respect of the show cause notice issued against her as to why she should not be imposed a reasonable penalty for her refusal or neglect in furnishing of the information sought under RTI Act within prescribed period of time as provided in sub-section (1) of Section-7 of the RTI Act, 2005. Appellant is present as usual but surprisingly Inspector P. Taku is not present today, i.e, on this 4th day of February’ 2021. In fact, a letter has been received from the Officer In-Charge of the Women PS, Itanagar, wherein, informing the Commission that Inspector P. Taku is on earn leave for 47 days. Since this is a date fixed on her own request for giving her a last opportunity for a further hearing in respect of the show cause notice issued against her as aforesaid and since she has neither submitted any other reason as on date other than the reason mentioned his written replies to the show cause notice for necessary consideration nor has she requested for hearing the matter on any other suitable date, I do not find any reason for giving any more chance to Inspector P. Taku for any further hearing on this aspect of the show cause notice issued against her.

And, accordingly, appellant being heard in absence of the PIO-cum-OC WPS, Itanagar, Inspector P. Taku in respect of the appeal along with the matter relating the show cause notice issued against the said PIO. All available materials on record, including – written & verbal replies of Inspector P. Taku to the show cause notice issued against her and the verbal statements of Inspector N. Rupa and Inspector M. Mibang, have been carefully considered. Having done so, it transpires that Inspector P. Taku, who received the RTI application of the appellant on 31.01.2020 as PIO-cum-OC WPS, Itanagar, on transfer U/S 6(3) of RTI Act, 2005 from the PIO-cum-DySP (HQ) had 25 days at her hand before she had availed a long leave from 25.02.2020 to 03.06.2020 within which she could have furnished the information to the appellant for maintaining the prescribed period of 30 days as provided under subsection (1) of Section 7 of the RTI Act. And, since furnishing of information within 30 days of receipt of the request/application is time bound under sub-section (1) of Section 7 of the RTI Act, Inspector P. Taku, by virtue of being PIO-cum-OC WPS, Itanagar, was under a bounden or lawful duty to instruct or inform the officer taking her charge of the OC WPS, Itanagar, to furnish the information so sought under RTI Act in remaining 5(days) of the prescribed period of 30 days. But those officers taking her charge as OC WPS, Itanagar, during her long leave period, namely; Inspector N. Rupa and Inspector M. Mibang have stated before the Commission on 10.12.2020 in her presence & hearing through audio/video conferencing that she (Inspector P. Taku) had not ever intimated or informed them (Inspector Rupa & Inspector Mibang) anything about RTI application of the appellant which goes without saying that Inspector P. Taku had been negligent either in furnishing of the information by herself within 25 days of her receipt of the RTI application or in getting the same furnished by the Officer(s) taking her charge as OC WPS, Itanagar, in remaining 5 days of the prescribed period of 30 days from the date of her receipt of the application on 31.01.2020.

In view of the facts and circumstances as discussed aforesaid Inspector P. Taku, PIO-cum OC WPS, Itanagar, is found liable for imposing a reasonable penalty under subsection (1) of Section 20 of the RTI Act, 2005. And, accordingly, she is held liable for imposing penalty under the Act and ordered as follows:

1. That, PIO-cum-OC WPS, Itanagar, Inspector P. Taku shall pay a fine amounting to Rs.25000/-(rupees twenty five thousand) only until before next date of hearing fixed on 18.03.2021. The fine amount shall be deposited through challan payment in the name of the Registrar of the Arunachal Pradesh Information Commission (APIC), Itanagar, against the Head of Account No.0070.
2. That, she shall also pay a compensation amount of Rs.5000/-(rupees five thousand) only to the appellant until before the next date of hearing as mentioned above for the losses and suffering meted to her (appellant) for filing of this Appeal. This compensation amount shall be paid in the mode convenient to the PIO.

3. That, she shall submit all records or payment receipts made against both fine and compensation to the Commission on or before the next date of hearing for enabling the Commission for final disposal and closure of this appeal.
4. In the event of her neglect or failure in complying with all or any of the above order(s) the provisions of sub-section (2) of Section 20 of the RTI Act, 2005 for a disciplinary proceeding against her under the related service rules applicable to her may be invoked.

Given under my hand and seal of this Commission's Court on this 4th day of February, 2021.
